*"C'était incroyable! Gregg absolutely ROCKS the French curriculum — every student should have the opportunity to be part of this amazingly interactive, first-rate French learning experience!" – Darlene Trottier, GEDSB*

### Curriculum links / Liens pour accéder au curriculum

"Gregg LeRock has created the most fun, authentic and engaging French learning experience for students! Toute l'année, nous apprenons ses chansons avec joie et nous avons hâte au concert. It has become the most memorable part of our French program ... can't wait for next year!"

- Laura Argiropulos, DDSB

### Experiential learning / Une véritable occasion d'apprentissage

"I got so many hugs from my students for this. Students felt included no matter what their level of French. Merci, Gregg, d'avoir permis aux jeunes de faire l'expérience de la langue et de la culture françaises tout en s'amusant!"

- Penelaine Anthony, DPCDSB

### Interactive experience / Une expérience interactive

"Nos élèves ont ADORÉ le spectacle! Gregg goes out into the audience and invites students and teachers up on stage ... it's so much fun and I'll look forward to bringing my class again next year!"

- Suzan Johnson, HPEDSB

### What students think / Ce qu'en disent les élèves

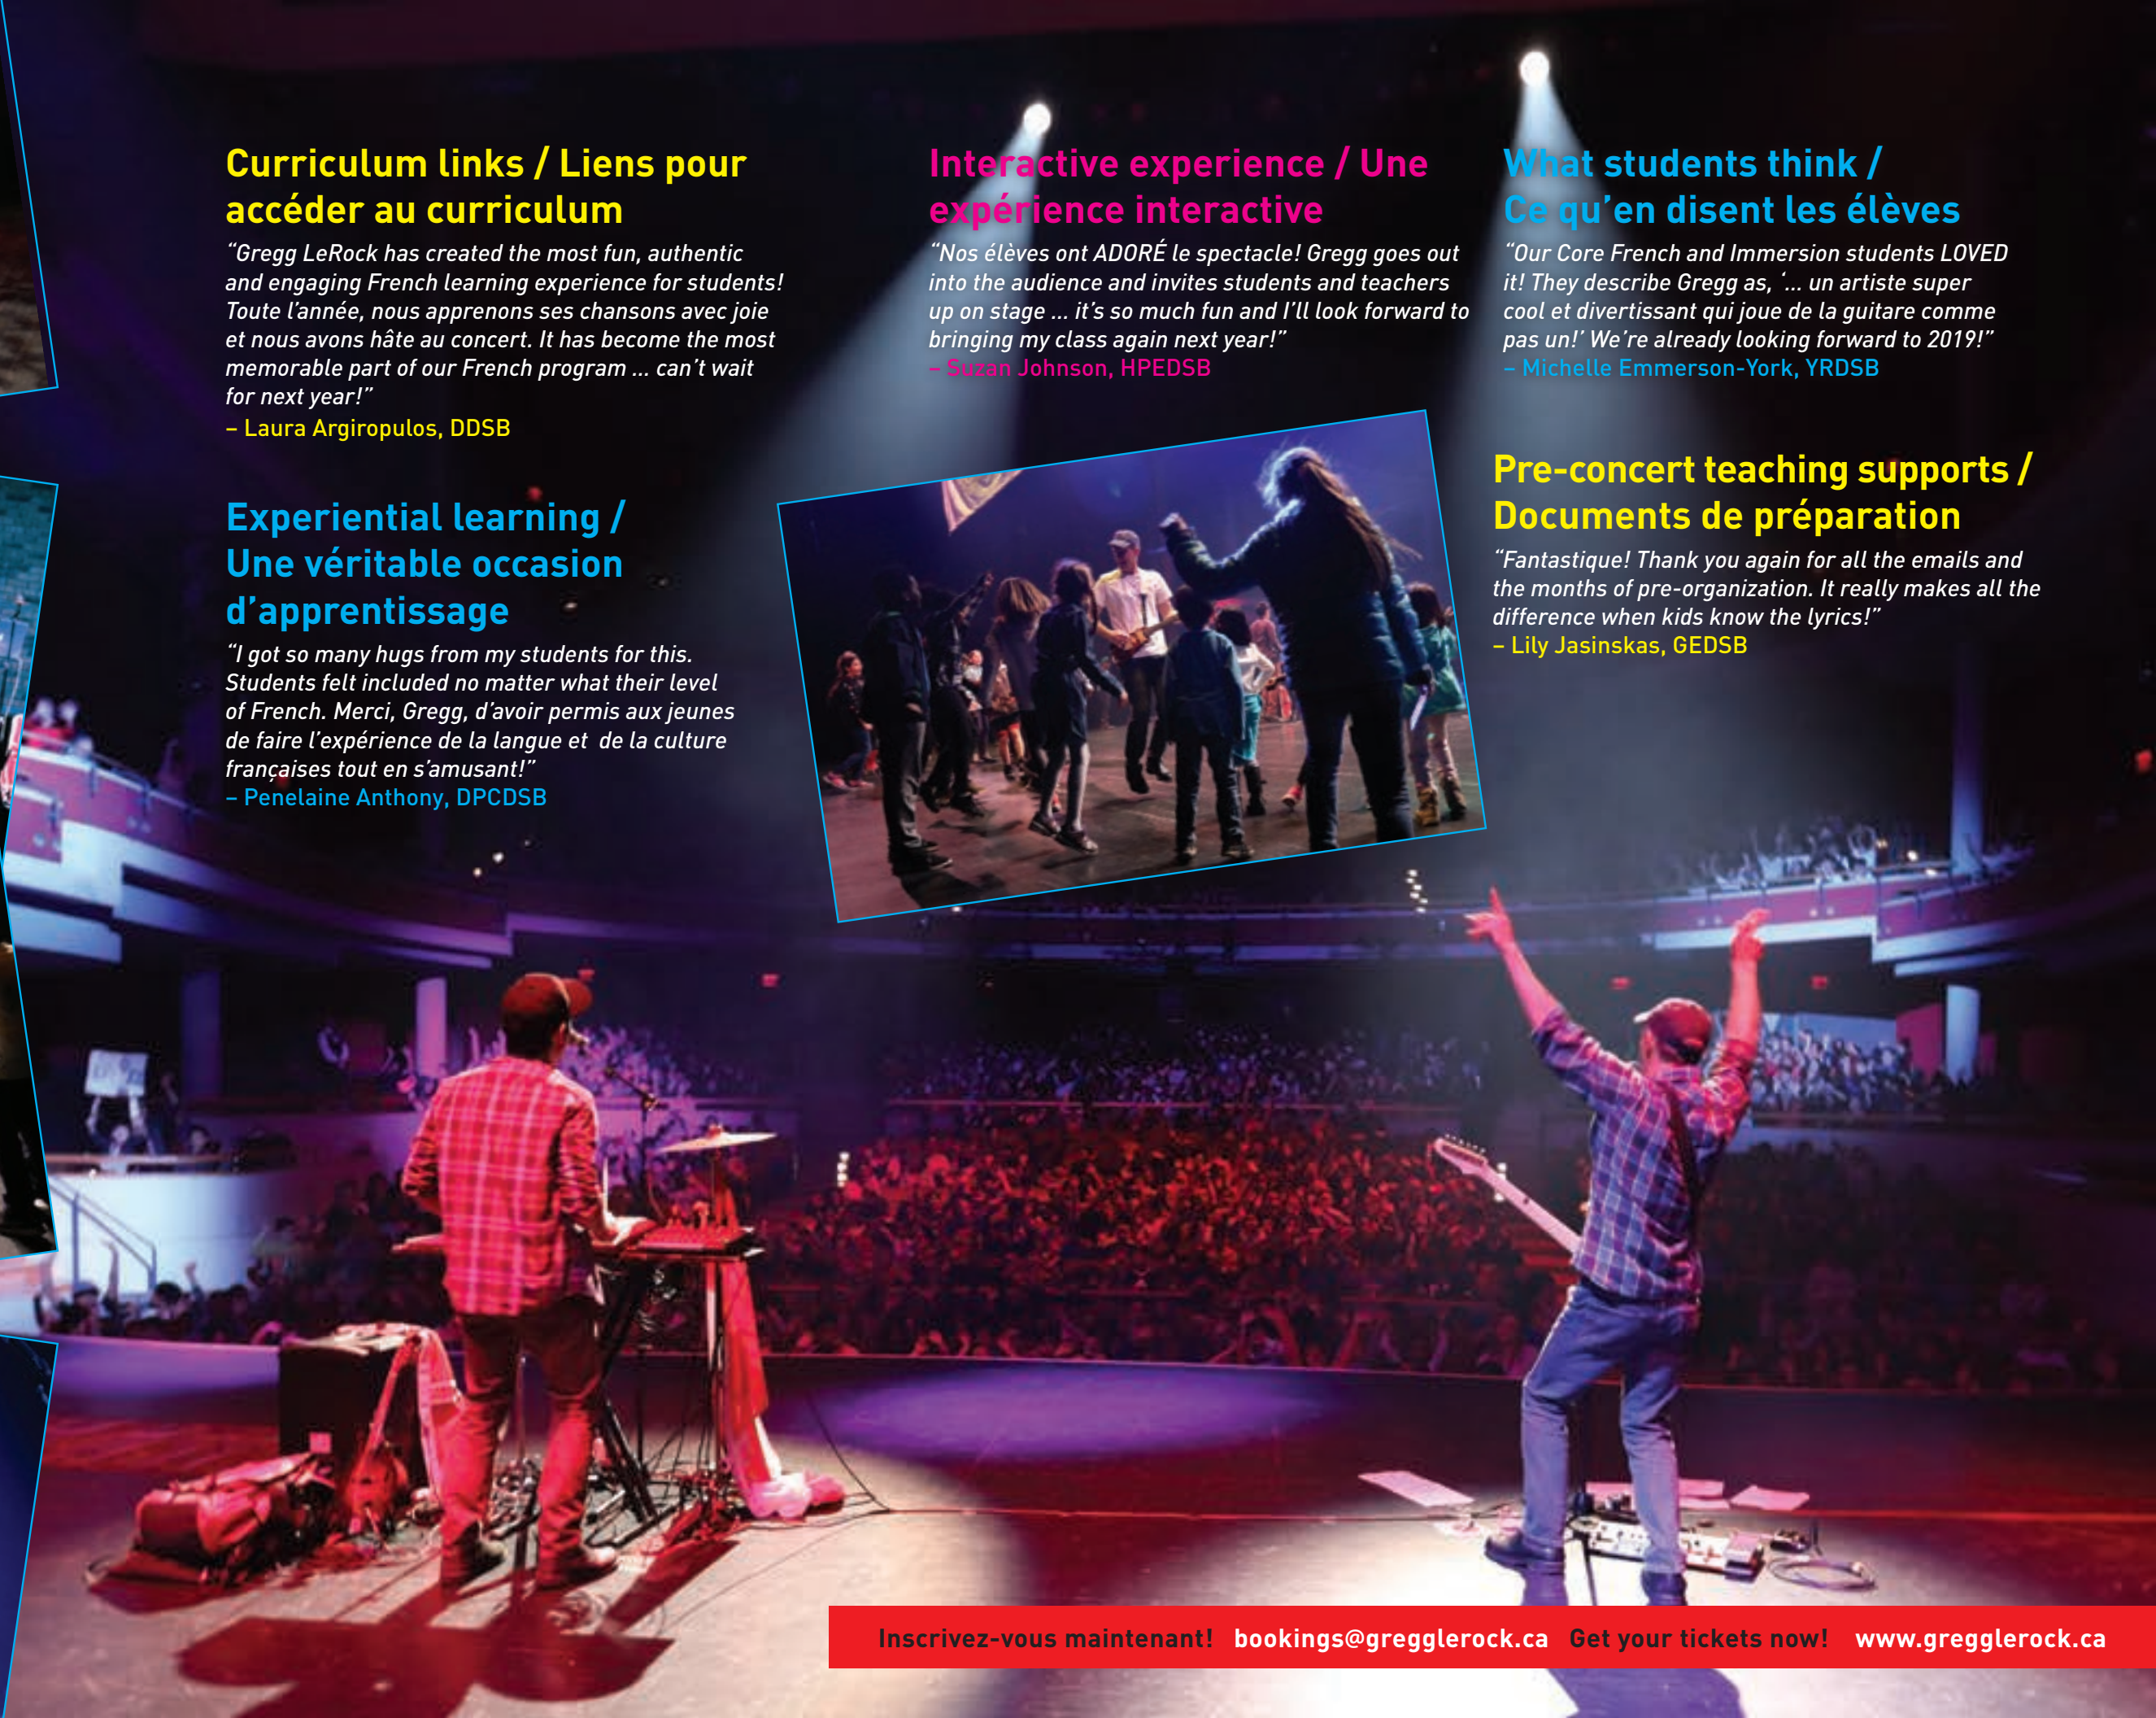

"Our Core French and Immersion students LOVED it! They describe Gregg as, '... un artiste super cool et divertissant qui joue de la guitare comme pas un!' We're already looking forward to 2019!"

- Michelle Emmerson-York, YRDSB

### Pre-concert teaching supports / Documents de préparation

"Fantastique! Thank you again for all the emails and the months of pre-organization. It really makes all the difference when kids know the lyrics!"

***“C’est génial! An unbelievably interactive rockin’ culminating activity ... it’s experiential learning at its best, cleverly disguised as a French concert!”***

**– James Miller, YRDSB**

*“I beamed with pride as I watched so many of my students belting out the lyrics that they’d learned, dancing in their seats or vying for a chance to go on stage to showcase their dance moves! À titre d’enseignante, j’ai trouvé que le concert était un plus, car il était si riche en apprentissages et en possibilités d’évaluation — from teaching and assessing, to listening and reading comprehension strategies, to creating authentic concert posters and t-shirt designs!”*

**– Juliet Young, DDSB**

*“C’était amusant, interactif et tout en FRANÇAIS! We absolutely loved it and will have Gregg back next year for our other schools!”*

**– Carrie Bourne, French Consultant SD38, Richmond, BC**

*“A treasure trove of concrete and meaningful connections to the curriculum!”*

**– Ron Vida, TDSB**

*“Une occasion formidable pour les élèves de faire des progrès en français ... outside the classroom!”*

**– Tania Hawkins Toews, GECD SB**
