## Experiential learning / Une véritable occasion d'apprentissage

Gregg's songs bring French to the whole school and to our community. Students invent actions, choreography and props to go with his songs, which amazes and delights me. Ça rend mon travail drôlement plus facile ... les élèves veulent participer à chaque année!

- Sam Stanley-Paul, TDSB

## Curriculum links / Liens pour accéder au curriculum

The themes and lyrics are so in sync with the attributes and qualities that students and staff celebrate at our school! C'était super excitant pour tout le monde ... mes élèves chantaient toutes les chansons!

- Maria Bonato, PDSB

## Interactive experience / Une expérience interactive

An excellent interactive learning experience for my students! Ils ont pu interagir et s'engager dans un véritable environnement français tout en s'amusant!

- Danielle Teves, DPCDSB

## What students think / Ce qu'en disent les élèves

Les élèves chantaient haut et fort ... the best French experience our students have had to date!

- Carrie Bourne, Conseillère pédagogique,  
Richmond, BC

## Pre-concert teaching supports / Documents de préparation

Preparing students with the videos and songs in advance made all the difference in the world ... ils connaissaient toutes les paroles par cœur et chantaient avec Gregg tout au long du concert ... three weeks later, students are still buzzing!!

- Michelle Morrissette, Edmonton, AB
